Coronavirus Rules and Regulations Agreement

Due to new rules and regulations put in place by Alberta government concerning the running of day camps, parents and guardians are now required to check their child(ren) for any sign of a fever and also monitor for any virus symptoms daily before arriving at camp. Day camp staff are required to screen children; parents and guardians must be available to pick up their child(ren) if symptoms are developed during camp hours or have someone available to pick the child up on their behalf. In keeping with the regulations, we have enhanced our cleaning protocols, and are ensuring all camp attendees maintain hand cleanliness. Parents are also required to sign their children in and out of camp. Records are kept in the case of an outbreak happening and will only be used for this purpose, along with keeping the usual camp attendance. Where possible, physical distancing will be encouraged.

Upon reading and signing, the signee agrees to uphold the above, and acknowledges the practises to be enforced
